INTERIORS WITH
MODERN
AESTHETICS

CAFFE LATTE is a collection of furniture, lighting and accessories with a remarkable ability to fit into any style of interiors due to its modern aesthetic, minimalist and functional design, and consensual focus on neutral tones.
The strong yet not overpowering Designs value first and foremost the space and concept they are selected to furnish, while Craftsmanship provides the quality in details that makes all projects unique.

DANDRIDGE ARMCHAIR A PARTNERSHIP WITH ESSENTIAL HOME

CAFFEINE BOOKCASE

Caffeine is one of the biggest components of coffee: strong, exotic, full-bodied and delicate. Caffeine Bookcase is the ideal piece for your modern and contemporary living room, providing elegance and space with its walnut wood matte and bronze matte finishes. The bookcase has modular feet that adapt quickly to any room.

LIBERICA CONSOLE

The harsh and strict lines from this console design contrast perfectly with the fluidity and sort of feminine touch of the mirror. Inspired by the Coffea liberica plant, the mirror takes an oval countour, resembling the delicate shape of the plant's leaf. The stainless steel with a bronze matte base, simulate the sturdy branches that can grow up to nine meters, holding in perfect harmony a refined marble top. A minimalist design that will not go unnoticed.

ANTIGUA CENTER TABLE

The circular shapes and round design of this elementary center table is inspired by the mountains surrounding the Guatemalan coffee plantation in Antigua City. The height of the mountains reaching the skies and emerging from the plains where some of the world's best coffee beans are grown inspired the setting of the modular pieces for this item. With a walnut circular body and a carrara marble top, this center table besides presenting a versatile decoration assemble has also a fine inox dark bronze strip that provides it with a modern appeal.

With a subtle space for storage, the three modular pieces that can fit into every design aesthetic and be set in numerous combinations, providing an exciting and energetic vibe each time.

ROBUSTA CENTER TABLE

With an uneven shape, taking inspiration from the disformity of the sub-Saharan plains where the famous Coffea Robusta is grown, this center table has both a soft yet eye-catching presence. Its two marble tops resemble the hues of brown from the exquisite coffee beans and rest perfectly on a delicate and continuous bronze leg. The perfect piece to provide a simple and neutral complement to a modern interior.

WINNOW TABLE LAMP

This table lamp takes its name from the winnowing method, an ancient technique of separating grain from the straw. Its body is composed of small lacquer wood tubes, representing the straw, and the abat jour shade emerges from the base with a light tapioca fabric, separating distinctly from its rigid body. By mixing a more classic approach to the shade with a contemporary design to its body, this table lamp will brighten every surface and interior.

BOMBÓN TABLE LAMP

The Bombón table lamp will make any room glow with a very organic light and a sweetened character. This charming table lamp features a stylish wooden monolithic base that is then lacquered in a soft cream color. A classic lampshade makes this wonderful composition complete in either fabric or silk.
