

KOKET.®

Letter from Janet

Love Happened with a simple sketch of a chair over cocktails in a New York City lounge. As the grace of the pen took to the paper my desire to possess this chair and create more pieces with the same empowerment became my mission.

Never has the time felt more right for me than now to create a brand that is truly a personal reflection of who I am. KOKET offers a glimpse into my world and everything that moves me. It is all of what I believe in, where I have been, and where I will take the brand will be closely tied to my personal growth.

I am comfortable taking risks and often, turning heads and commanding attention. KOKET is not about design trends or fulfilling design voids. It is a highly edited collection not just of pieces of furniture, but a collection filled with the experiences, simple pleasures, passions and life events that have shaped me.

Thru KOKET I will share ma joie de vivre and coquettish frill while empowering you to follow my lead and take risks to create your own sense of individual style for yourself, your home and how you live.

Fall in love with KOKET & let me empower you thru my collection.

*with all
my love*
Janet Morais

About the Brand

Daring design aesthetic, high impact shows, lavish presentations and the notoriously risqué ad campaigns, have an uncanny way of conveying KOKET's mission which is to create highly desirable empowering statement pieces.
